3. Schedule of the Annual General Meeting of Shareholders to approve the capital increase and the allocation of shares

To convene the 2017 Annual General Meeting of Shareholders on Wednesday, April 26, 2017 at 14.00 hrs., at Auditorium, 3rd Floor, Jasmine International Tower, No.200, Moo 4, Chaengwatana Road, Pakkred Sub-district, Pakkred District, Nonthaburi, 11120. Set the Record Date to determine the list of shareholders entitled to attend the Shareholders' Meeting on March 8, 2017 and the closing date of share registration book to collect the names of shareholders under Section 225 of the Securities and Exchange Act on March 9, 2017. (The next business day after the Record Date)

4. Approval of the capital increase / allocation of shares by relevant governmental agency and related conditions thereto (if any)

4.1 The Approval by the 2017 Annual General Meeting of Shareholders

4.2 The Approval by the Office of the Securities and Exchange Commission

4.3 The Ministry of Commerce: To file for the capital increase and register the change in the paid-up capital with the Department of Business Development, the Ministry of Commerce.

4.4 The Stock Exchange of Thailand: To file for listing the newly issued ordinary shares offered to the private placement investors for capital increase when the issuance and trading of such shares are under General Mandate.

5. Objectives of the capital increase and plans for utilizing proceeds received from the capital increase

The Company will have sufficient working capital in order to support business operation and expansion, enhance liquidity, and to be suitable with the Company's capital structure.

In 2017, the Company has set up a budget for purchasing a variety of contents at about 600,000,000 Baht to 800,000,000 Baht. This budget is to support the growth of digital TV channel – MONO29, satellite TV channel – Mono Plus, and member registering online video on demand – Monomaxxx.com. The allotment of newly issued shares and the operation on investment plan have no negative effect to the Company's operation, financial status, and operating result.

The Board of Directors considered that the issuance of newly issued shares under General Mandate will maintain and increase liquidity. The Company will be able to raise funds in a short period and have sufficient working capital in order to support business operation and expansion.

6. Benefits which the company will receive from the capital increase / allocation of shares

The Company will be able to raise funds in a short period and have sufficient working capital in order to support business operation and expansion as well as enhance liquidity.

7. Consideration of the Board of Director and the Audit Committee concerning the allocation of newly issued shares via private placement

The Board of Directors commented that the capital increase under General Mandate was approved by the shareholders in advance. Therefore, the Board of Directors is authorized to consider the allotment of newly issued shares through private placement as deemed appropriate. The reason and the need for capital increase is to improve liquidity of the Company by using the capital increase as working capital. Thus, the capital increase is appropriately streamlined the fund raising for each occasion. It also enables the operation to keep pace with the rapid change of different factors.

7.1 Reasons and necessity for increase of capital

The reasons for capital increase are to maintain and increase liquidity of the Company. In 2017, the Company has set up a budget for purchasing a variety of contents at about 600,000,000 Baht to 800,000,000 Baht. This budget is for supporting the growth of digital TV channel – MONO29, satellite TV channel – MonoPlus and member registering online video on demand – Monomaxxx.com and to enable the Company to offer services that meet customer's need even more comprehensive which will benefit the Company in a long term.

7.2 Feasibility of the plan for utilizing proceeds received from the increase of capital

The Company has researched on the worthiness and the possibility for utilizing the contents which are favorable to customers of ages in order to support the growth of digital TV channel – MONO29, satellite TV channel – MonoPlus and member registering online video on demand – Monomaxxx.com.

7.3 Reasonability of the increase of capital

The Board of Directors considered that the issuance of newly issued shares under General Mandate could maintain and increase liquidity of the Company which has set up a budget for purchasing a variety of contents at about 600,000,000 Baht to 800,000,000 Baht. This budget is for supporting the growth of digital TV channel – MONO29, satellite TV channel – MonoPlus and member registering online video on demand – Monomaxxx.com. With the contents purchased, the Company will be able to offer services that meet customer's need even more comprehensive which will benefit the Company in a long term.

7.4 Suitability of the offering price of the newly issued shares to be proposed to private placement and backgrounds for determination of such offering price

The Board of Directors will consider the offering price of newly issued shares under General Mandate via private placement concerning the ultimate benefits of the Company and shareholders. The Company will be restricted to the following rules:

- (1) Allotment of newly issued ordinary shares via private placement is not regarded as the offering of shares at a low price according to Notification of Capital Market Advisory on Application for and Approval of Offer for Sale of Newly issued Shares (as amended).

Pricing offering will be conducted under the Notification of the Capital Market Advisory no. Tor. Jor. 72/2558 (2015) concerning Private Placement Offering. The Board of Directors will specify the offering share price approved by the shareholders' meeting which is the best market price at the time of the offering based on the maximum benefit of the Company and all shareholders. The offering price shall not be less than the weighted average price in the SET of not less than the past 7 consecutive business days but not exceeding 15 consecutive business days prior the day of pricing offering price. The Board of Directors may specify the share price with the discount of not more than 10% (according to Chapter 1 Article 8 (1) of the Notification of the Capital Market Supervisory Board No. Tor Chor. 72/2558 regarding the permission for listed companies to sell new shares to the private placement). The

discount shall be considered by the Board of Directors at the current market condition in order to facilitate the rapid funds raising for providing adequate working capital.

The impacts can be categorized as follows:

1. Impact on control dilution and price dilution for only 9.08 percent and 0.91 percent respectively in the event of all shareholders do not exercise their warrants but all newly issued shares under General Mandate have been issued.
2. Impact on control dilution and price dilution for only 6.43 percent and -0.002 percent respectively in the event of all warrants have been exercised by shareholders and newly issued shares under General Mandate have been issued.

The Board of Directors considered that the impacts are worthy and the Company can also maintain and increase its liquidity. Moreover, the Board of Directors considered the pricing offering of newly issued ordinary shares under General Mandate conducting under the previous restrictions is appropriate.

7.5 Reasons and necessity for capital increase under General Mandate via private placement

The Board of Directors considered that the reasons and necessity for capital increase under General Mandate via private placement is appropriate as the Company will be able to raise funds in a short period and have sufficient working capital in order to support business operation and expansion as well as enhance liquidity.

The Company has set the criteria on the selection of private placement as follows:

1. The private placement possesses potentiality in investment.
2. The private placement possesses the quality of financial readiness and also has a clear business objective. The private placement neither takes part in business management nor performs any changes to the Company.
3. The private placement is able to help and elevate business operation and able to give suggestions on investment opportunities.

7.6 Impact on the business operation, financial status and overall operation of the Company as a result of the increase of capital and implementation of the proceeds utilization plan of the projects

The Board of Directors considered that the issuance of newly issued ordinary share under General Mandate can maintain and increase liquidity of the Company. The capital increase and operation on the investment plan have no negative effect to the Company's operation, financial status and operating result. In 2017, the Company has set up a budget for purchasing a variety of contents at about 600,000,000 Baht to 800,000,000 Baht. This budget is for supporting the growth of digital TV channel – MONO29, satellite TV channel – MonoPlus and member registering online video on demand – Monomaxxx.com and to enable the Company to offer services that meet customer's need even more comprehensive which will benefit the Company in a long term. In addition, the Company will have sufficient working capital in order to support business operation and be able to raise funds in a short period.

The financial status of the Company as of December 31, 2016 appears that the debt to equity ratio equals to 1.28 times. Once includes the transaction of capital increase from newly issued ordinary shares, the debt to equity ratio decreases to 1.25 times.

The Board of Directors considered that the issuance of newly issued shares under General Mandate will maintain and increase liquidity. The Company will be able to raise funds in a short period and have sufficient working capital in order to support business operation and expansion.
