Subject: Regional Marketing Partnership Mobile Agreement between the Company and Liverpool

To: President

The Stock Exchange of Thailand

Mono Technology Public Company Limited (the "Company") would like to inform SET that the Company entered into the Regional Marketing Partnership Mobile Agreement with the Liverpool Football Club and Athletic Grounds Limited ("Liverpool"), one of the world's top football clubs. This three-year Agreement as well as rights and obligations shall commence on May 2013 and continue in force until May 2016. Moreover, the survey reveals that there are more than 14 million Liverpool supporters in Thailand.

According to this Regional Marketing Partnership Mobile Agreement, the Company will acquire:

- The executive right in the territory to publicize Liverpool's information and arrange marketing activities in collaboration with Liverpool via SMS and MMS
- The right to use the designations of "Official Regional Marketing Partner of Liverpool Football Club in Thailand" and "Official Mobile Partner of Liverpool Football Club in Thailand"
- The right to publicize activities and news of Liverpool via Internet
- The right to arrange marketing activities by joining hands with Liverpool, such as sweepstakes offering a chance to win the prize of "Anfield Stadium and Museum Tour"

The Company views that the granted rights under this Agreement should increase the Company's revenues and net profit as well as enhancing potentiality for our mobile value added service (MVAS).

Please be informed accordingly.

Yours sincerely,

(Mr. Sang Do Lee)
Chief Executive Officer
